## Language Learning App Challenge

"Translate" your designs into a reality in this challenge 🗣️📱

### The Instructions

It's time to shake things up with the **Language Learning App Challenge**. When you imagine your ideal language learning app, what does it look like? Create a design for a fresh language learning app in this challenge.

Language Learning App by Likeve

We want you to have as much freedom as you need. Don't hesitate to try out interesting techniques and show your personality in your work. The only thing you need to do is make sure you stick to the topic and you only submit one file for this challenge.

#### How does the challenge work?

**Registration & submission:** April 27 → May 10 (2 weeks)

**Voting:** May 11 → May 24 (2 weeks) Midnight PST

**Winner announced:** May 25!

Read the rules and use the inspiration below as a starting point. Good luck!

#### Submission Requirements

Use some of the latest design tools and practices available to design an appealing language learning app in the **Language Learning App Challenge**. You can design an app for web or mobile - it's your call.

Please, just make sure that:

<https://www.uplabs.com/challenges/language-learning-app-challenge>

- The source file is shared with us, your submission is related to and created for the Language Learning App Challenge, it's unique and your own
- You only make one submission per challenge

Prize and Deadline

The winner will have their best work featured in the UpLabs newsletter and shared with **1,000,000+ professionals** from around the world including employees from companies such as Google, Airbnb, and Facebook. The winner will also be invited to join the community of UpLabs Premium Sellers.
